8.3 Data Security. LST maintains commercially reasonable and appropriate administrative, technical, and physical safeguards designed to protect the confidentiality, security, and integrity of all Customer Data. These safeguards are consistent with industry best practices and designed to prevent unauthorized access, use, disclosure, alteration, or destruction of Customer Data.

8.7.1 **Encryption at Rest**. All PII and education records, whether stored in databases (e.g., Azure SQL) or other storage mechanisms, are encrypted at rest. This includes leveraging Azure SQL's built-in encryption capabilities, ensuring data is encrypted within the database and on the underlying storage.

8.7.2 **Encryption in Transit**. All data in transit between the Customer's device, the LST's systems, and any integrated third-party services is protected using industry-standard encrypted transport protocols (e.g., HTTPS).

8.7.3 **Encrypted Storage**. All data, including PII and education records, is stored on encrypted storage infrastructure, such as Azure encrypted storage.

8.7.4 **Encryption Algorithms**. LST utilizes strong, industry-standard cryptographic algorithms, such as Advanced Encryption Standard (AES) with appropriate key lengths, symmetric cryptosystem key lengths of at least 256 bits, and asymmetric crypto-system keys of at least 2048 bits.

8.10 **Audit Rights**. Upon reasonable written notice, not less than 30 days, Customer may, at its own expense, request LST to provide reasonable evidence of its compliance with the privacy and security obligations. Such evidence may include third-party audit reports, security certifications, or other documentation deemed reasonable by the Customer. Any such audit shall be conducted in a manner that does not unreasonably interfere with LST's business operations.

The warranty provided in Section 7.1 shall not apply to the extent of any non-conformance which is caused by Customer's use of the Services contrary to LST's instructions, or modification or alteration of the Services by any party other than LST or LST's duly authorized contractors or agents. If the Services do not conform with the warranty provided in clause 7.1, LST will, at its expense, use commercially reasonable efforts to correct any such non-conformance promptly, or provide the Customer with an alternative means of
